ACLS Precourse Self-Assessment

LAUNCH THIS COURSE

The Advanced Cardiovascular Life Support (ACLS) Precourse Self-Assessment is an online tool that evaluates a student's knowledge before the course to determine their proficiency and identify any need for additional review and practice in 3 sections: rhythm recognition, pharmacology, and practical application. **Learn More »**

COURSE DETAILS

ACLS Precourse Self-Assessment and Precourse Work

LAUNCH THIS COURSE

The Advanced Cardiovascular Life Support (ACLS) Precourse Self-Assessment evaluates a student's knowledge before the course to evaluate proficiency and determine the need for additional review and practice. The ACLS Precourse Work involves a student reviewing course content through online videos before entering the classroom. The video lessons cover multiple medical subjects and each lesson includes questions to engage the student. **Learn More »**
